American Society for Quality

As a global quality community, ASQ advances the professional development, credentials, knowledge and information services, membership community and advocacy on behalf of millions of individual and organizational members in 140 countries.

Certified Manager of Quality / Organizational Excellence - CMQ/OE

A Certified Manager of Quality/Organizational Excellence facilitates and leads team efforts to establish and monitor customer/supplier relations, supports strategic planning and deployment initiatives and helps develop measurement systems to determine organizational improvement.

The Certified Manager of Quality/Organizational Excellence should be able to motivate and evaluate staff, manage projects and human resources, analyze financial situations, determine and evaluate risk and employ knowledge management tools and techniques in resolving organizational challenges.
